

Scott McDonough
Associate Director
Global Product Management
Centrifugal Chillers

Scott McDonough has 23 years of water cooled chiller experience with Carrier and is currently the Global Product Manager for centrifugal chillers.

Prior to this assignment, Scott worked with water cooled screw, scroll and heat recovery chillers. He worked at Westinghouse for seven years before joining Carrier.

Scott received a Bachelor of Science degree in Interdisciplinary Engineering and Management at Clarkson University and a Master of Business of Administration from Wake Forest University.
