

# ABOUT NORESKO

NORESKO, a part of Carrier Global Corporation, helps clients adapt to and mitigate the impacts of climate change by decarbonizing, modernizing and electrifying aging infrastructure to be more sustainable and resilient. By deploying innovative distributed energy, storage and renewable energy solutions, NORESKO improves the health and efficiency of existing campuses, buildings and communities.

NORESKO celebrates its 40th anniversary in 2024. To date, the company has guaranteed more than \$5 billion in energy and operating cost savings at more than 10,000 facilities while reducing customer CO<sub>2</sub> emissions by more than 25 million metric tons - the equivalent to planting 1.4 million acres of forest.
