

Riello Background :

Founded in 1922, Riello is a leader in products and services for heating, air-conditioning, and energy efficiency. Headquartered in Legnago (Verona), Italy, Riello operates in over 120 countries. Riello is a part of Carrier, a leading global provider of innovative HVAC, refrigeration, fire, security and building automation technologies.

Riello North America is a part of Riello, offering innovative, high-efficiency boilers and burners to residential and professional customers in the US and Canada. The Riello North America boiler brands feature 10:1 and 7:1 turndown ratio, as well as green product features including low nitrogen oxide emissions and no-lead standards certification. Guided by the “Energy for Life” value proposition, Riello North America aims to strengthen the Riello tradition of excellence, built on continuous innovation, collaboration, responsiveness, trust, and confidence
